

Fetchin' Retrievers Rescue

Conference Call

January 18, 2020

I. Purpose

Kriss requested a conference call to discuss items that need to be addressed before our next meeting.

II. Attendees

Kriss Harrigian

Barbara Renken

Sandy Diamond

III. Discussion topics

1. Child Policy. We discussed whether to implement a formal child policy. For now, we will consider this on a dog-by-dog basis. We will note on a dog's website bio whether there will be a restriction for adopting the dog to a home with children (including ages), cats and/or other dogs.

2. Crowd funding for Lucy. Lucy needs arthroscopic surgery on her shoulder. Kriss will get estimates and prognosis.

3. Kriss will talk to Jessica about putting our Articles of Incorporation, Bylaws and meeting minutes in the log-in section of the website.

4. The dropdown menu for the various header links on the website are not consistent. Kriss will ask Jessica to fix this.

5. Kriss has put a temporary hold on new intakes until the puppies are adopted and we know more about the cost for Lucy's surgery.

6. Barbara asked about the status of insurance. Kriss is still waiting to hear back about quotes.
